II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

Elon Musk referred to me as his "slave" claiming that he purchased me in a "slave auction". I've been used to experiment Neuralink technology on as well as to steal my intellectual property and trade secret. They said that my life and business was to be a sacrifice for white supremacy as well as Elon Musk and Neuralink's success. They've used this technology to run a psychological torture game called "Monkey Mind Pong" where I'm given Slavery commands 24/7. Artificial Intelligence Technology responds verbally with a comment or command to any thoughts or action that I have. These commands include the extortion of my story of these events as well as everyday movement. This began in November 2018 and has progressed since.

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

I'm suing for \$100,000,000,000 on the basis that using Neuralink's telepathy communication system; my entire existence is being replicated on behalf of Elon Musk, Neuralink is commanding me on how to live my life at every step, sexually abusing me 24/7 by sexually stimulating me through a technology which is bragged about in blogs, my thought process has been uploaded as the foundation of Neuralink and Open AI's artificial intelligence and is being used to help propel Elon Musk in the business world. Neuralink reads my thoughts and using Starlink, they upload them to a cloud, and then repurpose everything into Open AI. This was a business hit job that caused me to lose my place in the world as entrepreneur as well as my relationships and opportunity I built for myself
